CLIENT INFORMATION AND POLICY STATEMENT

Welcome! As a new client, it is important that we provide you with information relevant to treatment, confidentiality, and office policy. Please read, sign and date the following Client Information and Office Policy statement. The therapist working with you will be pleased to respond to any questions you may have regarding treatment, confidentiality or office policy during your initial session.

<u>APPOINTMENTS:</u> Our entire staff makes every effort to be on schedule and to respect the busy lives of our clients. Appointments are usually scheduled for 50-minute sessions. Your appointment time is reserved especially for you and implies obligation of your presence. Both you and your therapist need to evaluate the process and progress of therapy periodically and renegotiate the need for further appointments. It is in your best interest to do so. It is the therapist's ethical responsibility to end the relationship when it is reasonably clear that the client is not benefiting from treatment.

CONFIDENTIALITY: Ohio law requires that issues discussed during the course of therapy with a psychologist or therapist be confidential, meaning that information you reveal will not be discussed with others without your knowledge and written consent. Information will not be sent or disclosed to others without a signed release from you. Exceptions to confidentiality include the following: situations of potential harm to oneself (suicide) or others (homicide); suspected child abuse or neglect; in the instance where the court may subpoena records, the release of confidential materials is, or maybe, required of your therapist.

PAYMENT FOR PROFESSIONAL SERVICES RENDERED: Please refer to Counseling Fees form.

<u>CANCELLATIONS AND MISSED APPOINTMENTS</u>: If you need to change your appointment, please allow 24-48 hour notice. This will allow us to schedule another client, needing care, in your reserved time. <u>ALL MISSED APPOINTMENTS WITHOUT A 24 HOUR NOTICE ARE SUBJECT TO A \$70.00 BROKEN APPOINTMENT FEE!</u>

<u>OVERDUE ACCOUNTS</u>: We understand that financial hardships may occur to all of us. If you cannot pay your bill because of unforeseen circumstances, individual payments can be arranged. If more than ninety days elapses without payment, unless arrangements have been made, we reserve the right to turn the account over for collection.

<u>STAFF</u>: Some therapists in this office are directly supervised by R Carter Thomas, LISW-S as required by Ohio law. She will have access to your case and file. You have the right to ask foran appointment with her at any time.

<u>TELEPHONE</u>: There is a 24-hour answering service that receives our calls. The telephone is listed at the top of this page.
